Dear PHM Parents at ND,

Just a note that we are organizing a three day sickout of all PHM schools this Wednesday to Friday to push back against PHM's mask-optional policy. In addition to this, we organized a protest on Friday, are working on an op-ed penned by parents in the medical field, are looking at legal strategies, and in the longer term are working on plans to change the composition of the PHM Board of Education.

If you are interested in participating, here is the form to fill out:

If you have any questions, or just want to talk about it, I'm happy to talk to by phone or zoom.

We also have a PHM Parents for Masks Facebook page where all info is being updated. Email me if you want to join and I'll send you an invitation.

In solidarity,  
Tamara
