

1.

Organization Description (200-300 Words)

Silence the Violence is a youth program that helps mentor the South Bend Community Youth age groups between 5-18 years old by showing them life skills from tying their shoes, preparing for interviews, regular trade skills, preparing for the workforce, basic business essentials, and working with Robotic Avionic Cameras.

Provide an overview of your organization (Membership, Governance, Mission, Date Established,

etc.)

2.

Program Description (200-400 Words)

Provide an overview of the program, including relevant information (time, location, scope, target audience, planned activities, resources, partnerships, etc.) and connections to previous or existing programs.

Ultimately, teaching kids to learn life skills that allow them to become proper civilians in the South Bend Community. To provide simple to complex daily tasks and how to apply them in an individuals' daily life. Location prospect is at the Martin Luther King, Jr. Recreation Center 1522 Linden Ave, South Bend, IN 46628.

3.

Program Goals (200-400 Words)

Describe the primary goals of the program and how your organization will measure the program's success.

Primary goals include starting with simple physical tasks (e.i.; proper dress attire for formal events, interviews, etc... proper hygiene, self-care, etc...). Measured by appearance when attending. Mentally sustaining an individuals' success by showing students how to think with a positive outlook and apply the best assets of each individual with the skill sets we give them in order to make a living such as how to install fences, appliances, plumbing (clearing clogged drains), repair mechanical structures, and more. Finally, offering a media drone class that will allow an individual to obtain an exclusive license administered only from a small 1% in Indiana. This will allow the students the best chance to a). create a sustainable career for themselves, b). have a better opportunity to create, join a team, and travel as a career choice.

4.
