SCHOOL CORPORATION

Date: December 5, 2023

Mr. Ben Dallas,

This letter is to inform you that St. Joseph County Police Detective Stopczynski notified me late yesterday afternoon, December 4th, that the police investigation has concluded and the case is now closed. With that update, the P-H-M Safety and Security Team met this morning and completed our safety review. The team concluded that the no-trespass order is no longer needed.

Effective immediately, you can resume visiting and conducting personal business on the campuses of Penn-Harris-Madison School Corporation schools, facilities, or surrounding properties.

If you have any questions regarding this notice, please let me know.
